

APRIL 2013

HELLO WORLD

They say that April showers bring May flowers! At SRI International, Sherry Hanen has been creating smiles throughout SRI every spring by coordinating the annual Daffodil Days. The Daffodil Days program involves offering daffodils to donors in appreciation for their contribution to the American Cancer Society. If you have noticed bunches of daffodils throughout SRI in the spring, it's likely due to the efforts of Sherry, her volunteers and the employees who donate to the American Cancer Society and then share the daffodils with their co-workers.

In addition to bringing us sunshine in spring, Sherry is the Director of Corporate Regulatory Compliance for SRI International and has worked for the Institute for 39 years. Over this period, she has had five careers—from Washington, D.C. to Menlo Park, California. In her spare time, she takes her Portuguese Water Dogs, Quiznos and Reuben, and competes at the Master's level at dog show competitions in several venues. Portuguese Water Dogs were originally taught to act as members of the fishing crew, set fishermen's nets, retrieve lost tackle or broken nets, and to act as couriers from ship to ship, or ship to shore. Although Quiznos is a smart, hard working boy, the rumors of his being trained to use Sherry's ATM card are unfounded!

Sherry mentioned she loves the credit union because it is convenient. She is able to pop into the credit union quickly during the day. Whether you are working onsite or just prefer doing your transactions at home, you are going to love our new mobile apps and remote deposit feature! Starting in late March, you can download an app for Apple® or Android™ mobile devices. Not only will you be able to view your transactions, but you will be able to transfer funds and pay bills. The new release in April will include the ability to make mobile deposits. These new apps will make everyone smile!

When you see the daffodils around the campus, be sure to say "thanks for the smiles" to Sherry. She demonstrates the SRI passion of making a difference! In the last HELLO WORLD, I suggested that one way of making a difference in your neighborhood is to do some spring home improvements. This can be as simple as planting a flower. If you have some pictures of your flowers or of your home improvements, please send them to me at steve@srifcu.org.
